This simple, yet striking, block can be used in any log cabin setting. We're looking for BLACK on WHITE, WHITE on BLACK, and any BRIGHT color of your choice. Use your favorite half-square triangle method to complete the corners of this classic 9-patch block. The more 9½" blocks you make, the more chances you have of winning a set to take home!

one BLACK on WHITE 4" square (B)
three WHITE on BLACK 3½" squares (C)
one WHITE on BLACK 4" square (D)
one BRIGHT color of your choice 3½" square (E)

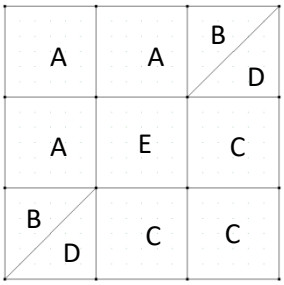

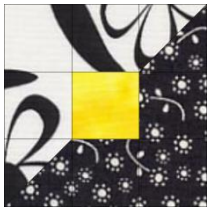

ASSEMBLY INSTRUCTIONS

1. Place your two 4" squares (B, D) right sides together, and draw a diagonal line on the back of one of the squares. Sew ¼" on either side of the drawn line, and then cut on the diagonal line. Press to the WHITE on BLACK. Trim each half-square triangle patch to 3½".
