Two Hour Tulip Purse with the MacAvoy Sisters

Wednesday, October 29, 12:30-4 pm
Aldersgate United Methodist Church, Reed Room

Let's send the year out with a Bang, I mean a Bag! We can't guarantee two hours to completion, so we've padded the time.

List of Supplies for Petite or Standard sizes:

1/2 yard fabric for the purse, outer pockets and handles
1/2 yard fabric for the lining and inner pockets
1/3 yard fusible fleece (available at Cottonwood)
1/2 yard DecorBond or similar heavyweight fusible interfacing (available at Cottonwood)
Closure - large button and 3.5 inch cording
Optional - Velcro for inner pockets and to enhance purse closure

A selection of cording in the following colors will be provided:
Black, white, purple, tan, gray, pink, aqua. We will have plenty in each color and participants can help themselves. We will also bring a few extra shank buttons (you need a button 3/4" or larger).

Rotary cutter & mat
Quilting Rulers
Sewing machine in good working order
Regular sewing supplies (pins, thread, scissors, etc)
Iron & ironing board

Pattern for the purse:

Available on Amazon and www.anythingbutboring.com
The pattern is - Two Hour Tulip Purse by Janice Pope.

It comes in 4 sizes, all of which I have made. I recommend the Medium or the Small for our workshop. (One year I made the small ones for all my grandchildren for Easter baskets, which could then be used as all purpose bags.)
